

Assembly - Lime & Blueberry Wave

Shelf Life:

1 Day

Ingredient & Equipment

Checklist:

- Lime Wheels
- Blueberries
- Bamboo Picks

1. Using the lime wheel and 3 small blueberries, push the bamboo pick through the top of the lime.
2. Thread 3 blueberries back to back on the pick.
3. Push the pick through the bottom of the lime.

Assembly: The pick must start on the outside of the lime at the top, then go through the inside with the blueberries and pushed back outside at the bottom to form a crescent.
