

FRENCH FRIES PORTIONS (6 wz)

07/29/2012

Yield: **Approximately 13 portions**

Shelf Life: **6 months frozen**

Equipment: Digital scale, large mixing bowl, hotel pan

Ingredients

1 bag French Fries - frozen

****ONLY REMOVE 1 BAG AT A TIME FROM THE FREEZER****
****DO NOT ALLOW THE FRIES TO THAW****

Procedure

1. Empty 1 bag of frozen french fries into a large mixing bowl.
2. **Using a digital scale, bag into 6 wz portions.**
3. Transfer portions into a 4 inch deep full sized hotel pan, and store in freezer.
4. Label, Date, and Rotate.

NOTE: NEVER use thawed french fries. Doing so will result in cooked french fries that are greasy, soft, and off in color.

C: Off white with tan skin
T: Completely frozen; Not soggy, no evidence of thawing
F/A: No off aromas
HR: Bagged in 6 wz portions; Hotel pan; Frozen
SL: 6 months frozen
